

Name _____ Student ID# _____ **COMMUNITY SERVICE REPORT Term: _____ 200_**

Western Seminary is able to provide gift assistance to students only because of the ongoing generosity of donors to the seminary. One way for a financial aid recipient to ensure the seminary's ability to continue to help students is to assist the school in its recruitment and fundraising efforts. Therefore, receiving financial assistance is contingent upon your agreement to contribute to the school a modest (four hours per term) amount of "community service."

For more information or to begin this commitment, please contact Julia Seal at (503) 517-1816. Julia can determine available jobs that meet your talents and schedule, as well as discuss with you expectations, check-in, etc.

All service must be completed and this Community Service Report returned to the Financial Aid Office by the end of the term. Failure to complete your community service within the term may result in the reduction or elimination of your aid for future terms.

After you have fulfilled your commitment, please have the Seminary employee with whom you worked complete and sign the form.
