

Counseling Department Endorsement Policy

Upon completion of the Master of Arts in Counseling degree the graduate may receive program faculty endorsement. This endorsement will be provided only:

- On the basis of demonstrated proficiency in the vocational or licensing area for which endorsement is sought.
- For the professional credential or license for which the student prepared, including coursework, practicum or internship placements.

During candidacy for the program degree endorsement is available for those students having completed a substantial portion of their program. Courses needing to be completed for endorsement would include Internship Case Conference 530, 531, and 532. Endorsement will only be provided for credentials, licenses, and occupations for which the candidate is prepared.
