## Master of Arts (M.A.) in Ministry and Leadership Program

### PROGRAM OBJECTIVES

Western Seminary offers the Master of Arts (M.A.) in Ministry and Leadership degree for students seeking to develop the core ministry and leadership skills necessary to be effective in a variety of ministry contexts. For example, they may be seeking to serve as associate pastors on a church staff, in parachurch agencies, or in specialized areas of ministry (e.g. chaplaincy, coaching, youth ministry, women's ministry, etc.). The program is not recommended for those preparing for a ministry where ordination is expected or required (e.g., the pastorate) or for those who anticipate subsequent doctor of ministry studies.

Students will take a common sequence of courses to build the core outcomes in spiritual formation, biblical and theological studies, and ministry studies. As students proceed with their classroom studies, they will be challenged to put what they learn into action through mentored field ministry. The interaction between student, faculty advisor and ministry mentor will facilitate the refining of ministry effectiveness by identifying areas of strength to be honed and areas of critical weakness to be improved. Building on these core areas, students will develop more specialized ministry and leadership skills through their electives. Students will follow one of the defined specialization tracks, or they may choose the open track specialization which includes a variety of ministry and leadership courses in consultation with their faculty advisor.

### M.A. IN MINISTRY AND LEADERSHIP CORE OUTCOMES

In addition to the Seminary's general educational goals, the M.A. in Ministry and Leadership program attempts to achieve specific outcomes:

1. Applies biblical truth to life and ministry based on sound hermeneutics and a thorough understanding of the biblical canon.
2. Employs mature theological thinking to evaluate competing ideas, communicates theological truths clearly, and applies theological truths to life and ministry.
3. Demonstrates cultural awareness and discernment in theological thinking and ministerial practice.
4. Exhibits a Christ-like character worthy of being emulated, and integrity that imparts credibility to his/her ministry.
5. Demonstrates self-awareness and a commitment to ongoing personal and spiritual formation.
6. Implements a gospel-centered philosophy of ministry that is biblical, missional, and transformational.
7. Leads others in effective ministry by casting a vision for transformational ministry, equipping others for ministry, and faithfully modeling servant leadership.
8. Demonstrates mastery of the key principles of their chosen area of ministry through effective service in that area.

### ADMISSION REQUIREMENTS

In addition to the general requirements for admission to the Seminary given on pages 18-19, applicants for the M.A. program are expected to present an accredited baccalaureate degree (or its equivalent) with a cumulative grade point average of 3.0 or higher (on a 4.0 scale), including a breadth of liberal arts. Applicants who do not meet these general academic requirements may petition the Admissions Committee for consideration. A recommendation from the applicant's pastor and three personal recommendations regarding the applicant's Christian character and leadership potential also are required.

### DEGREE REQUIREMENTS

The M.A. in Ministry and Leadership degree is conferred upon the attainment of certain personal and academic requirements. In addition to the general seminary requirements outlined on pages 31-32, degree candidates must (1) give evidence of a genuine Christian character, orthodox belief, and conduct consistent with a God-given call to a position of leadership; (2) complete all courses in the prescribed Ministry and Leadership curriculum with a minimum cumulative grade point average of 2.5, and 3.0 grade point average within ministerial studies (core and specialization).

### IN-MINISTRY SCHEDULE OPTION

Western Seminary offers the in-ministry schedule option for the Ministry and Leadership degree. This track is designed to make fulfilling the 30 credit residential requirements for an accredited master's degree more accessible for students significantly involved in ministry roles. Three or four weeks per year, two 2-credit courses will be offered in intensive formats (each spanning 2 ½ days), enabling students to complete the "class time" requirements for up to four credits in one week. Pre- and post-residential homework assignments will be designed for maximum integration into one's current ministry responsibilities. The remainder of the program's course work can either be completed through distance education or normal residential courses. Eligibility for this track will ordinarily require being at least half-time in paid ministry for the prior year (and maintaining at least this level of involvement for the duration of the program) and receiving the endorsement of one's ministry supervisor. This is a limited-enrollment program and will require making consistent annual progress towards degree completion. For more information, please contact the Admissions Office.

### MINISTRY SPECIALIZATION OPTIONS

To prepare for their particular ministry area, students will choose one area of ministry focus and specialization. In consultation with their advisor, eight credit hours of course work will be completed with the prefixes of DMS, EMS, FMS, ICS, MCS, PCW, PTS or YMS. The courses are chosen to build on their previous education and experience and to allow them to prepare for excellence in ministry in that specific area. Current specializations include Open Track, Camp and Conference Ministry, Chaplaincy, Coaching, Pastoral Care to Women, and Youth and Family Ministry.
