

Western Seminary is pleased to offer a variety of non-credit courses and programs to individuals who seek to participate in a course for personal growth. Please review the following information before submitting the Non-Credit Application & Registration form. We invite you to contact us if you have questions.

NON-CREDIT POLICIES

1. Graduate credit will not be awarded for non-credit participation in a course.
2. Individuals who have a bachelor's degree will be registered with an audit status and may obtain a transcript of audited courses. Individuals without a bachelor's degree will be registered with an enrichment status; transcripts will not be available due to accreditation requirements.
3. Western Seminary offers non-credit course participation as a special service at a significantly discounted rate. Non-credit participants are not required to do the coursework required for graduate students; likewise, the instructor is not obligated to, and may not, review assignments voluntarily completed by a non-credit participant. To facilitate learning, the Seminary strongly encourages non-credit participants to complete course reading.
4. Participation in class discussions and out-of-class conferences with the instructor should be kept to a minimum. Please note that coaching and PCW courses are an exception; class participation is encouraged in those courses.
5. Individuals who wish to take a non-PCW course on a Western Seminary campus must verify qualification for graduate studies either through indicating an undergraduate degree or ministry involvement. Those who are not graduate-qualified may not be approved for admission or registration.
6. Non-credit registrations are intended to provide foundational learning opportunities. Courses requiring prior learning, intense faculty involvement, or significant school resources are not intended for non-credit participants. These include, but are not limited to, counseling, homiletics, Greek or Hebrew language, Th.M. and doctoral courses.
7. In courses where seating is limited, credit students will be granted priority.
8. Individuals may register for no more than two non-credit courses per semester, and only those that are designated as available for audit on the official class schedule.

ADVANCED STUDIES CERTIFICATE PROGRAM (ASC)

If you are interested in receiving limited, focused, non-credit theological training, you may be interested in the ASC Program. After participating in 16 hours of graduate-level courses you will complete a two-hour integrative project. Learning Units are awarded for participants in this program. A high school diploma is required for participation. A one-time \$50 application fee will be assessed in addition to the normal tuition. Concentrations available in the ASC program include: Bible & Theology, Pastoral Care to Women, Intercultural Ministry, and Pastoral Ministry.

PARTNERS IN MINISTRY PROGRAM

This program, offered by the Women's Center for Ministry, is intended to provide training for wives who are or will be partners with their husbands in ministry. If wives complete the program during the same academic year that their husbands complete a graduate-level program, Western Seminary invites the wife to join her husband in walking across the stage during the Commencement ceremony. Husbands must be currently enrolled or recently graduated from a degree program at Western Seminary.

LEARNING TOGETHER PROGRAM

If you are the spouse of a currently enrolled student in a degree program, you will qualify for the Learning Together Program. Students in this program are invited to register for one on-campus course per semester at the regular audit rate of \$150 per credit hour. The spouse of a full-time (8+ credits) degree student will receive a 75% scholarship, and the spouse of a half-time (4-7 credits) degree student will receive a 50% scholarship. (There will be no scholarship for the spouse of a degree student enrolled for fewer than 4 credits.) You aren't required to enroll in the same course as your spouse. The Learning Together Program cannot be combined with the ASC or Partners in Ministry programs. Please note: the Learning Together Program does not include CLL or coaching courses.
