CLASS POLICIES

Cover Page: To safeguard confidentiality, provide a title page as a cover for all assignments. Include your student mailbox number in the upper right corner of the cover page.

Attendance and Late Assignments: Students are expected to attend all class meetings. Students who miss class are responsible for missed work. Unexcused absences and tardiness will impact a student's grade. Students who anticipate an absence should discuss it in advance with the instructor. Students who miss two or more classes will not pass the course **without arranging for additional work with the professor**. Assignments submitted after the due date and time constitutes a drop in the student's letter grade for that assignment.

Incompletes: Faculty members determine their own procedures and due dates for the completion of course assignments. The final deadline for submitting all course work is the last day of the

semester as noted in the Academic Calendar (p.16). In the case of serious illness, family emergency, or other extenuating circumstances, the instructor may, **if it is initiated by the student**, grant an extension. A temporary notation of “I” (incomplete) is assigned until a final grade can be determined. The maximum extension permissible is six weeks, **with assignments due to the professor for grading on Fri., 5/29/09**. All course assignments not completed by the extended deadline will be given a failing grade. Under no circumstances may this six-week period be extended except by petition and approval of the Administrative Committee.

The Availability of Disability Services at Western Seminary: Western Seminary is committed to responding to the needs of students with disabilities as outlined in both the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Western students are assisted individually as their needs dictate. It is the responsibility of students with disabilities to identify themselves and the nature of the disability. Any student who has a disability should contact the seminary’s Disability (Section 504) Coordinator, Ken Epp, at 503-517-1815/1-877-517-1800, ext. 1815. His office is at the Portland campus. Students at the northern California campuses may contact Carrie Priest (Student Services Coordinator – San José) or PJ Oswald (Director of Student Development – Sacramento), or they may contact Dr. Epp directly. Appropriate forms will be provided and must be submitted to the Disability Coordinator’s office.

Enrichment Students: Enrichment students are encouraged, but not obligated, to participate in assignments and class discussions. Professors are not obligated to grade participation for these students, but may opt to do so depending on class size.
