STANDARDS FOR WRITTEN WORK (MLA)

Papers must be written to a near-thesis standard. That is, minimum format standards must be met, as defined below. English grammar, idiom, and spelling must be up to graduate level. Always include a strong introduction paragraph (declare what you intend to show the reader) and conclusion paragraph. Qualities valued include clarity, succinctness, and precision.

This course employs the MLA (Modern Language Association) style guide. The basic elements are:

- Double-spacing, except for block quotes
- Single space block quotes
- Page numbers appear at the upper right on every text page
- Use footnotes or parenthetical citations.
- Footnotes and parenthetical references follow standard format.

Helpful web sites on MLA style include:

For assignments that require the use of non-course texts and include a bibliography, of the resources mentioned in the bibliography for your project/paper, two must be from a physical library. Note the physical location of each book as an addendum to each bibliographical entry.

All work must reflect master's level use of the English language. Plagiarism will result in failure of assignment.

CLASS POLICIES

Cover page: To safeguard confidentiality, provide a title page as a cover for all assignments. Include your student mailbox number in the upper right corner of the cover page.

Attendance and Late Assignments: Students are expected to attend all class meetings. Students who miss class are responsible for missed work. Unexcused absences and tardiness will impact a student’s grade. Students who anticipate an absence should discuss it in advance with the instructor. Students who miss two or more classes will not pass the course, without a request for and the completion of additional assignments. Assignments submitted after the due date and time constitutes a drop in the student’s letter grade for that assignment.

Enrichment Students: Enrichment students are encouraged, but not obligated, to participate in assignments and class discussions. Professors are not obligated to grade participation for these students, but may opt to do so depending on class size.

Incompletes: Faculty members determine their own procedures and due dates for the completion of course assignments. The final deadline for submitting all course work is the last day of the semester as noted in the Academic Calendar and in the Sacramento class schedule. In the case of serious illness, family emergency, or similar extenuating circumstances, the instructor may, **if it is initiated by the student**, grant an extension. A 1-3 week extension is typical in all except the most extreme cases, and in all cases the standard decrease of a full letter grade for late work applies. Extensions desired by the student beyond 3 weeks, with prof support, must be approved by the Sacramento Academic Coordinator, with 5 weeks after the end of the course being the longest possible extension for work being due to the prof; for this semester that date is **Saturday, 5/29/10**. (This allows a 6th week for the grading of work and a grade change request to be filed.) A temporary notation of “I” (incomplete) is assigned until a final grade can be determined. Under no circumstances may the six-week period (allots 1 week to the prof for grading and grade change petition) be extended except by petition and approval of the Administrative Committee in Portland.

The Availability of Disability Services at Western Seminary: Western Seminary is committed to responding to the needs of students with disabilities as outlined in both the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Western students are assisted individually as their needs dictate. It is the responsibility of students with disabilities to identify themselves and the nature of the disability. Any student who has a disability should contact the seminary’s Disability (Section 504) Coordinator, Ken Epp, at 503-517-1815/1-877-517-1800, ext. 1815. His office is at the Portland campus. Students at the northern California campuses may contact Carrie Priest (Student Services Coordinator – San José) or PJ Oswald (Director of Student Development – Sacramento), or they may contact Dr. Epp directly. Appropriate forms will be provided and must be submitted to the Disability Coordinator’s office.
