

COMMUNITY SERVICE REQUIREMENT

Western Seminary is able to provide gift assistance to students only because of the ongoing generosity of donors to the seminary. One way for a financial aid recipient to ensure the seminary's ability to continue to help students is to assist the school in its recruitment and fundraising efforts. Therefore, receiving financial assistance is contingent upon your agreement to contribute toward the school a modest amount (four hours per semester) of community service.

We ask that you complete your community service requirement and submit this form for each semester in which you receive financial aid. Failure to do so may result in the reduction or elimination of your aid in future semesters.
