

Dr. Toh-Woon Lim was born in Fukien, China. A graduate of Tufts University, he pursued a career as a doctor of dental medicine and periodontics. His greater joy in life, however, was to serve the Lord and to spread the Gospel of Jesus Christ. In view of these eternal interests, he pursued biblical and theological training and was very active in the ministry of his local church.

Dr. Lim was a student in the Doctor of Ministry program at Western Seminary when he was diagnosed with cancer. His serious illness did not deter him from his studies, however. Rather, he sought to pursue them as aggressively as possible so that he could use the life he had left to serve God better.

In 1994, before he was able to fulfill his goal of completing the Doctor of Ministry program, Dr. Lim went to be with the Lord at the young age of 46. So that his interest in furthering the work of Christ might be carried on, and so that others might be enabled to fulfill the goal that Dr. Lim could not, his widow has established this scholarship in his memory.
