SECTION I: BECOMING A MARRIAGE AND FAMILY THERAPIST

This section provides a brief overview of the process of becoming a licensed Marriage and Family Therapist (MFT) with the State of California’s Board of Behavioral Sciences (BBS).

A. General Requirements for Licensure
In order to obtain licensure as an MFT, applicants must complete an accredited graduate degree program, complete 3,000 hours of experience under a qualified supervisor and pass written exams administered by the BBS.

1. Complete an Accredited Degree Program
   a. Western Seminary is accredited through the Northwest Commission on Colleges and Universities and is recognized by the BBS as an accredited school.
   b. For a complete listing of accredited schools, view “Accredited Schools with MFT Programs” on the BBS website.

2. Complete 3,000 Hours of Experience
   a. These hours must be completed under a qualified supervisor.
   b. A maximum of 1300 (and minimum of 325) hours may be completed as a student during the practicum experience.
   c. These hours must meet the BBS requirements for experience. For a detailed breakdown of required hours for licensure, see “Section V: Weekly Summary Hours of Experience” or view the “MFT Experience Categories: Summary of Hours Permitted/Required” document on the BBS website.

3. Pass Written Exams
   a. There are two MFT licensing exams:
      a MFT Standard Written Examination
      b MFT Written Clinical Vignette Examination

B. Job Titles Throughout the MFT Licensing Process
Throughout the licensing process, a candidate will have several different titles. These titles each have unique “job descriptions”:

1. MFT Trainee: An MFT Trainee is a student who is currently enrolled in an accredited MFT graduate program, is unlicensed, has completed a minimum of 12 units of coursework including practicum prerequisites (see Section II) and sees clients as an MFT Trainee under licensed supervision.

2. MFT Intern: An MFT Intern is an unlicensed person who holds a degree from an accredited MFT graduate program, is registered with the BBS, and sees clients as an MFT intern under licensed supervision.

3. MFT: An MFT is a licensed Marital and Family Therapist who holds a degree from an accredited MFT graduate program, has fulfilled the experiential requirements (3,000 hours), has passed written exams administered by the BBS and has applied for and received a license from the BBS. A licensed MFT is required to meet Continuing Education (CE) requirements each licensing period.

C. Students Interested in Becoming a Licensed Professional Clinical Counselor
The pathway to LPCC licensure is slightly different from that to MFT licensure in that all 3,000 hours must be earned post-degree; practicum hours will not count towards the hours required for LPCC licensure. However, all students, even those only interested in an LPCC license, must complete the practicum requirements set in this program.
SECTION II: UNDERSTANDING PRACTICUM

A. What is Practicum?
1. Practicum (I, II and III) is the name of a series of three required two-unit courses (CNS 530: Practicum I, CNS 531: Practicum II and CNS 532: Practicum III). These courses are designed to support and educate students who are completing hours as an MFT Trainee. Please note: you are required to be enrolled in a Practicum course if you are seeing clients as a Trainee. If you have completed the required courses (Practicum I, II and III) you must be enrolled in Advanced Practicum (CNS 539) to continue seeing clients.

2. Practicum is the graduate-level clinical experience required of all MFT students. This clinical experience must be performed at an approved Practicum Site with a qualified Supervisor (see “Section III: Practicum Site Resources” for requirements). All Practicum hours are logged for conferral of the MFT degree and most Practicum hours can be counted towards licensure as an MFT (See “Practicum Hour Requirements” below).

B. Practicum Prerequisites
Before finding a practicum site or registering for CNS 530 a student must:

1. Complete at least 12 units of coursework as follows…
   - CNS501: Clinical Foundations
   - CNS 502: Psychological Theory and Techniques
   - CNS 504: Psychotherapeutic Systems
   - CNS 505: Psychopathology
   - CNS 506: Legal and Ethical Issues
   - CNS507: Human Life Span Development

2. Complete at least 10 hours of personal psychotherapy

C. Practicum Hour Requirements
1. Minimum Hour Requirements
   a. Students must complete 325 hours of clinical experience at an approved site with a qualified site supervisor. Of these 325 hours the following requirements must be met:
      - A minimum of 225 hours of direct, face-to-face client contact
      - An adequate number of supervision hours per the following BBS requirement: "As an MFT Trainee, you must meet the mandatory minimum of one unit of supervision per week to count work experience in a work setting. Also, you will be required to obtain one unit of supervision for every five hours of direct counseling experience earned in each setting."
      - A minimum of 30 hours of personal psychotherapy (See “Personal Psychotherapy Requirements” below)

   b. Students who entered the program before August 2012 must complete 250 hours of clinical experience at an approved site with a qualified site supervisor. Of these 250 hours the following requirements must be met:
      - A minimum of 150 hours of direct, face-to-face client contact
      - An adequate number of supervision hours to meet BBS standards
      - A minimum of 30 hours of personal psychotherapy (See “Personal Psychotherapy Requirements” below)
c. Students may also count the following hours toward the minimum hours requirement of 325 or 250:
   - Administering and Evaluating Psychological Testing, Report Writing, and Writing Notes
   - Client-Centered Advocacy
   - Workshops and Training

2. Maximum Hours Accepted
   Students may receive a maximum of 1300 hours during practicum. These hours will be counted by the BBS toward licensure and may include the following:
   750   Counseling and Supervision
   250   Administering and Evaluating Psychological Tests, Report Writing, Writing Notes, or Client-Centered Advocacy
   250   Workshops, Seminars, Training Sessions or Conferences
   300   Personal Psychotherapy (maximum 100 hours which are triple counted)

D. Personal Psychotherapy Requirements
1. All students are required to receive at least 30 hours of personal psychotherapy by a licensed psychotherapist before graduation.
2. Each 1 hour of personal psychotherapy is counted as 3 hours by the BBS towards licensure.
3. Up to 100 actual hours (300 total hours) may be counted toward licensure.
4. You must be formally admitted into an MFT program for the BBS to count personal psychotherapy hours. Psychotherapy prior to formal admission cannot be counted.

SECTION III: PRACTICUM SITE RESOURCES

A. Requirements for a Qualified Practicum Site

1. Practicum Site Requirements
   a. Trainees may not see clients in private practice settings, even as a volunteer.
   b. Trainees may receive a salary but may not be paid directly by clients.
   c. Trainees may work in a non-profit or charitable corporation, school, college or university, government entity or licensed health facility or other non-private practice sites that provide mental-health counseling or psychotherapy and qualified supervision.

2. Supervision Requirements
   a. Trainees must receive “one unit” of qualified supervision for every five hours of psychotherapy or counseling performed.
      - One unit equals one hour of individual supervision or two hours of group supervision.
   b. Group supervision sessions shall not include more than eight persons receiving supervision.

3. Supervisor Requirements
   a. Supervisor must be a licensed mental health professional (Marriage and Family Therapist, Licensed Professional Counselor, Clinical Social Worker, Psychologist or Physician certified in psychiatry by the American Board of Psychiatry and Neurology)
   b. Supervisor must maintain a valid California license
   c. Supervisor must have held that license for at least two years and practiced psychotherapy or directly supervised as part of their clinical practice for at least two years within the last five year period immediately preceding supervision
   d. Supervisor must complete a minimum of six hours of supervision training or coursework within two years immediately preceding supervision (or within 60 days of the commencement of supervision) and every renewal period thereafter (Psychologists and Physicians certified in psychiatry are exempt from supervision training)
   e. In a setting that is not a private practice the supervisor may be employed by the registrant’s employer on either a paid or voluntary basis. An off-site supervisor must sign a letter of agreement with the agency employing the applicant.

B. Finding a Practicum Site: The Process

Western Seminary does not “place” students in a Practicum Site. It is the student’s responsibility to find a placement. However, we are continuously expanding our resources to better assist students in this process. The MFT Program Coordinator is the practicum point person until a student finds a practicum placement and begins Practicum I. After that, the Practicum Faculty will become the practicum point person for the student and the Practicum Site Supervisor.

Students preparing for practicum should:
1. Attend the Practicum Orientation in January or schedule an appointment with the MFT Program Coordinator if a group orientation is not available.
2. Review the Practicum Site List. Contact the MFT Program Coordinator about pursuing a practicum site that is not on this list.
3. Contact prospective practicum sites. Investigate whether the site takes Trainees and if they have openings. (Note: It is important to treat this like a professional job search)
4. Prepare a professional resume and cover letter personalized for each site.
5. Arrange for an interview.
6. Select a site, notify the MFT Program Coordinator, and register for Practicum I
7. Review the Practicum Paperwork Checklist.

FAQ’s for Weekly Summary of Hours of Experience & MFT Experience Verification Form

When completing these forms, be sure to complete all necessary fields. The Weekly Summary of Hours of Experience and the MFT Experience Verification form are the two forms used to document supervised work experience requirements.

1. How do I log/get credit for the conjoint couples and family incentive hours?

When completing the Weekly Summary of Hours of Experience form and the MFT Experience Verification form, you will document the total couples, families and children hours gained on or after 1/1/2010 on the form item titled “Couples, families, and children.” In the subsection below, record the amount of actual conjoint couples and families hours. This subsection is only for recording purposes and will not affect your supervision requirements or increase your weekly totals. Please only document actual hours. **Do not double count the hours on your forms.** Once your application is received by the Board, those hours will be evaluated, and up to the first 150 hours of conjoint couples and family hours will be double counted to a maximum of 300 hours.

For example: If Allison completed 10 couples, families and children hours, and 6 of those hours were conjoint couples and family, Allison would record 10 hours in the couples, families and children category and 6 hours below in the conjoint couples and family subsection.

2. If I have already gained conjoint couples and family hours before 1/1/2010, can I count those prior hours towards the incentive?

No. Only the first 150 hours of conjoint couples and family hours gained on or after 1/1/2010 will be double counted.

3. How do I know when to stop using the old forms and start using the new forms?

For any hours gained on or after 1/1/2010 the Board of Behavioral Sciences (BBS) encourages all Trainees and Interns to start using the new Weekly Summary of Hours of Experience form and MFT Experience Verification form. Any hours gained prior to 1/1/2010 should be documented on the previous versions of the forms. The current version and prior version of the Weekly Summary of Hours of Experience and the MFT Experience Verification are available on the “Forms and Publications” section of the BBS Web site ([http://www.bbs.ca.gov/forms.shtml](http://www.bbs.ca.gov/forms.shtml)).
4. Can I combine pre-degree and post-degree work experience on the same form?

The BBS advises separating pre- and post-degree experience on separate *Weekly Summary of Hours of Experience* and *MFT Experience Verification* forms. As long as your application for Intern registration is submitted within 90 days of your degree conferral date, you may count experience gained during this time and log these as post-degree hours. If you do not submit your application within 90 days, you will not be able to count hours until your Intern registration number is issued.

5. Now that W-2s or a letter verifying volunteer status are required for MFT Interns, do I have to locate all past employers when I was employed before 1/1/2010 to get documentation?

No. Only Interns must submit a W-2 or letter from the employer verifying voluntary status for hours gained on or after 1/1/2010. This is not required for any hours gained before this date or for Trainees.

6. How do I fill out the forms if I have more than one supervisor in the same work setting?

If you are receiving supervision from two individuals in an employment setting, you can document this on separate forms. As long as the time periods on the two forms overlap and the employment setting is the same, the BBS will lump the experience and supervision together upon evaluation of the forms.

7. As a Trainee, can I count administering and evaluating psychological tests of counselees, writing clinical reports and progress and process notes?

Yes. Starting 1/1/2010 Trainees can now count these hours up to the maximum of 250 hours. Any hours gained as a Trainee in this category prior to 1/1/2010 will not be able to count.

Strong minds, lives, families, and communities.

Mission
Protect Californians by promoting consumer awareness, advocating for improved mental health services, and setting, communicating, and enforcing standards.
1. What is the breakdown for the required hours of experience for Marriage and Family Therapist (MFT) licensure?

The Board requires 3,000 hours of supervised professional experience and 104 weeks of supervision to qualify for MFT licensure. Of the 104 supervised weeks required, 52 weeks must be weeks in which the applicant received at least one hour of one-on-one, individual, face-to-face supervision. A supervised week is any week in which a Trainee or Intern meets with an individual supervisor for one hour or a group supervisor for two hours. The required 3,000 hours of supervised experience must conform to the following breakdown:

**Counseling Hours**

- Individual Psychotherapy (no Min or Max hrs)
- Couples, Family, and Children (Min 500 hrs)
  - The first 150 hours of conjoint treatment of couples and family hours can be double counted starting 1/1/2010.
- Group Therapy or Counseling (Max 500 hrs)
- Telemedicine Counseling (Max 375 hrs) (see question 24)

**Administering and Evaluating Psychological Tests, Writing Clinical Reports, Writing Progress or Process Notes (Max 250 hrs)**

**Other Non-Counseling Hours (Max 1,250 hrs)**

- Workshops, Seminars, Training Sessions or Conferences (Max 250 hrs)
- Personal Psychotherapy Received (Max 100 hrs triple counted as 300)
- Client Centered Advocacy
- Direct Supervisor Contact (Both individual and group)

The maximum amount of work experience that a Trainee or Intern may count in a given week is 40 hours. Personal Psychotherapy received does not count as work experience and does not require supervision.

*Statutes and Regulations cited: B&P Code Section 4980.43; CCR Section 1833*

2. What types of hours can I count as a Trainee?

The maximum number of hours a person can earn while a Trainee is no more than 1,300 hours of the following:

- Counseling and Supervision Hours (Max 750 hrs)
- Administering and Evaluating Psychological Tests, Writing Clinical Reports, Writing Progress or Process Notes (Max 250 hrs)
- Workshops, Seminars, Training Sessions or Conferences (Max 250 hrs)
- Client Centered Advocacy
- Personal Psychotherapy Received (Max 100 hrs triple counted as 300)

<td>3. What is the maximum number of hours of supervision I can count in a week?</td>
<td>No more than five hours of supervision, whether individual or group, shall be credited as work experience during a single week.</td>
</tr>
<tr>
<td>4. Where do I record Personal Psychotherapy hours?</td>
<td>The Board does not have a specific form for recording Personal Psychotherapy hours. Personal Psychotherapy hours are logged on the MFT examination eligibility application. This application is on the &quot;Forms and Publications&quot; section of the website.</td>
</tr>
<tr>
<td>5. What is the 6-year rule?</td>
<td>The Board cannot accept hours of experience older than six years from the time a person applies for MFT examination eligibility. The only exception to this rule is a maximum of 500 hours of work experience from an applicant's degree program. Up to 500 hours of counseling and supervision experience, obtained as an MFT Trainee while enrolled in practicum, can be older than 6 years. For example, Applicant A sends in an application for MFT examination eligibility, and the Board receives this application on March 24, 2010. The Board will only accept hours earned between March 24, 2004 and March 24, 2010.
