CONTINUING STUDENTS
If you wish to enroll in a course at another institution with the purpose of transferring credits to Western Seminary, please obtain the Western Seminary Registrar’s approval prior to enrolling in the course.

TRANSFER CREDIT EVALUATION POLICIES
1. Transfer credit is accepted from graduate institutions accredited by the Association of Theological Schools or regional accrediting associations.
2. Transfer credit is granted to students currently enrolled in or applying to enter a degree or diploma program.
3. The course(s) to be transferred must approximately parallel the Western Seminary course content (80% or higher equivalence), as judged by comparing course descriptions or course syllabi.
4. The coursework must have been completed within five years of the application for transfer credit evaluation.
5. The student is expected to bring current competency of the course material (i.e. current working knowledge of the subject matter, as well as knowledge of current issues in the field). In some instances, the student will be interviewed or examined by a designated faculty member.
6. Further information regarding transfer credit evaluation may be found in the Academic Catalog.
