San Jose Campus Alumni Newsletter

December 2016

Western Seminary's new home at Christ Community Church located at 1000 S. Park Victoria Drive in Milpitas.

## Getting Settled in Milpitas

It's been a busy transition getting up and running at our new location at Christ Community Church since we moved in August, as well as starting a new academic year. With any move to a new neighborhood, there are things to get used to – a different commute and battling traffic (though it seems that is just life in the Bay Area these days), [eating/shopping establishments](#), and general surroundings. What has been great to see is that students seem eager to learn and interact with professors and classmates in our new digs. Some technical difficulties within the first couple of weeks of class were our biggest challenges, but those seem to have decreased and the sense is that faculty and students alike are very pleased with the new campus

([see campus map](#)), particularly the very comfy classroom chairs! We've had our first ever live-streamed course (instruction from Portland; class in Milpitas)! Christ Community Church has been extremely welcoming and gracious to us and for that we are very grateful. They are excited to partner with us in equipping men and women for Kingdom work. An added bonus - there is a coffee shop on campus called Community Coffee, which has been a big hit. Read [October's Western Wave](#) for more information about the new campus. Though we're at a new campus and in different surroundings, the same focus of Gospel-Centered Transformation has remained the same, and we're thankful for the Lord's provision and care for Western Seminary San Jose.

## Welcome, Amanda Reid!

Amanda Reid is our new San Jose campus Enrollment Team Leader. She helps Bay Area prospective students and applicants discern if Western provides the sort of training they need. If so, she'll help them make their way into studies.

Amanda studied youth ministry and psychology at Azusa Pacific University. She's invested her professional life at Mt. Hermon Christian Camps and Conference Center in the recruitment and onboarding of new staff, as well as in training and managing in local Starbucks stores.

Amanda is part of the Calvary Church Los Gatos community (where our San Jose campus launched in 1985!) where she serves as youth ministry leader with high school age girls.

You can reach Amanda at [areid@westernseminary.edu](mailto:areid@westernseminary.edu), or by phone at 408.356.6889 x403.

### Some more FUN FACTS about Amanda:

- She is a Bay Area native, born in the East Bay, currently living in the South Bay.
- She's a huge Bay Area sports teams fan. To clarify, that means the Giants, Warriors, 49ers, and Sharks.
- She's a proud alumna of Azusa Pacific University.
- She gets the hiccups approximately 10 times a day. Doctors still don't know why.
- She has a slight obsession with personality tests. For wondering minds, her MBTI is ESFP.
- When she was 8 months old, she played Baby Jesus in a live nativity scene.
- If she had to choose one food to live off of for the rest of her life, it would be chips and salsa.
- She was a big fan of Downton Abbey.

**Announcing San Jose's New MFT Program Director -  
Dr. Lorraine Hutchinson!**

Dr. Lorraine Hutchinson

Last year, Dr. Ken Logan, Nancy Broxton, and Joanne Kim teamed up to give leadership and support to our San Jose MFT students. With the addition of Ken's new role as Director of the New Day Counseling Center in Portland, we were left with a vacancy. We are pleased to announce that Dr. Lorraine Hutchinson has stepped into the role as the Marital Family Therapy Program Director for the San Jose campus with Nancy and Joanne continuing to support the program. Lorraine has been an instructor in our MFT program since 1997, often teaching four or more courses a year. She has been an encourager and mentor to students in the classroom and in their counseling practice. We are delighted to have Dr. Hutchinson on our team. You may reach Dr. Hutchinson at [lhutchinson@westernseminary.edu](mailto:lhutchinson@westernseminary.edu), or by phone at 408.356.6889 x414. You can learn more about her at [www.hutchinsoncounseling.com](http://www.hutchinsoncounseling.com).

# Introducing the Senior Vice President of Stewardship

Robert Bridges

In June, Western Seminary hired a new Senior Vice President for Stewardship, Mr. Robert Bridges. He will assume leadership of the system-wide Stewardship team.

Bob comes to us with decades of professional experience. He was VP for Advancement at Asbury Theological Seminary, later

at Asbury University, Executive VP for the RTS Foundation, Executive VP for Water Missions International and consultant and VP for Marketing at Robert F. Sharpe and Company, Inc., now the Sharpe Group. Bob is also an ordained minister. He earned an M.Div. at Asbury, so he is also familiar with the student side of seminary life.

Bob has been married for 46 years to Candy. They have one adult son.

Please also be praying for Bob. He affirms

our commitments to gospel-centered transformation and he will serve in a key position guiding our ongoing implementation of that philosophy during a strategic time in Western's history. We are grateful to the Lord for giving us a person of Bob's character and competence, and we look to Him as well to supply Bob with the wisdom needed to fulfill the responsibilities entrusted to him.

Feel free to reach Bob at [rbridges@westernseminary.edu](mailto:rbridges@westernseminary.edu).

## Campus Community Open House

On October 8, approximately 50 people gathered at Western Seminary's new location in Milpitas to celebrate God's provision of our new site and partnership with Christ Community Church. This also marks Western's 30th year of instruction. There is much to celebrate and for which to give thanks to God!
