

The Western Wave

Rejoice! He is Risen!

John 20:3-8

So Peter went out with the other disciple, and they were going toward the tomb. Both of them were running together, but the other disciple outran Peter and reached the tomb first. And stooping to look in, he saw the linen cloths lying there, but he did not go in. Then Simon Peter came, following him, and went into the tomb. He saw the linen cloths lying there, and the face cloth, which had been on Jesus' head, not lying with the linen cloths but folded up in a place by itself. Then the other disciple, who had reached the tomb first, also went in, and he saw and believed.

academic advisor about your plans to ensure you're on the right track with course sequencing, prerequisites, load, etc.

STUDENT APPRECIATION LUNCH RECAP

On March 8th, Western Seminary's President, Dr. Randy Roberts, met with students, faculty, and staff to give a brief "State of the Seminary" address and also answered students' questions (ranging from financial aid to our statement of faith and the faculty teaching position). It was a very informative and helpful time for our community. This was the first time we've

held such an event, and due to its success, we'll be sure to have another one in the future, so stay tuned!
