

The Western Wave

The New Westernmobile!

A retiring Quality Control Manager from a famous food supplier has graciously donated their company vehicle to Western Seminary San Jose. It will be used as a recruitment vehicle. In celebration, Western will stock the vehicle with yummy hot dogs and other delicious snacks. We would be happy to host a BBQ lunch at your next church gathering or fundraiser.

April Fool's . . . This story is completely fictitious. The TRUTH: Last week our faculty and staff were excited to see an Oscar Mayer Wienermobile in our parking lot. We began to imagine what buzz we could create if we drove it around promoting Western Seminary. The staff and the car are real. The Photoshop branding is compliments of Lisa Mueller.
