**Congrats, Class of 2012!**

On June 24, Western Seminary San Jose launched 26 more graduates to do Kingdom work. Dr. Dan Kimball's commencement address was a reminder to us all to be "in the world" and "be holy." We could not pull off the largest Western event of the year without the help of volunteers, so a big THANK YOU to all who helped make it happen!

At the top: the class of 2012 awaiting their diplomas. Bottom left: Executive Dean, Dan Ruiz, catches Helicon Kuan off guard by unexpectedly planting a "wet one" on his cheek. Apparently Dan was very excited to see him graduate. This was probably the first time that we've seen Helicon speechless! Bottom right: graduate Kristi Van Pykeren with her diploma in hand. Doesn't she look happy? Kristi shared some heartfelt words during Commencement, along with graduates Satyadev Kolli and Matthew Chiu.
