# A Celebration and Farewell for our Beloved Dr. Judi

This year marks the 16th year that Dr. Judith Needham-Penrose has taught at Western Seminary. As the Director of the Marital and Family

Therapy pro-

gram, she has been devoted and committed to the integration of Psychology and the Christian faith. She has made decisions and improvements to the program, including developing the Addiction Studies Certificate program, art therapy electives, and workshop development. She has also taught courses on group therapy and integration. Her love for Western's MFT students and their development as excellent therapists has been one of her greatest goals and motivations. She is a beloved

member of the Western Seminary staff and will be greatly missed.

Now, Dr. Judi has decided it's time to move on to the next chapter of her life where she can devote more time to her counseling and group therapy practice. She will continue mentoring interns and hopes to teach at least one class a year for Western.

## Students, alumni, faculty and staff:

We want to celebrate her 16 years of excellence in leading the Marital and Family Therapy department, teaching, her faithfulness to the Western Seminary community, and the impact she's had on students' lives and their professional careers. Please save the date for **Saturday, August 2** and plan to come be part of a special celebration.

This farewell event will be an opportunity to celebrate and show our appreciation

to Dr. Judi.

This is a free event. Come, share, and fellowship any time between 12:30-3:00pm. There will be a formal presentation at 1:30pm. Hot and cold appetizers and dessert will be served. Spouses or significant others are welcome. Seating is limited. Adults only.

**RSVP by July 28** to the invite you should have received by now. If you didn't receive it, contact Lisa Mueller at [lmuller@westernseminary.edu](mailto:lmuller@westernseminary.edu).

## VOLUNTEERS NEEDED

We would appreciate some volunteers to help us at Dr. Judi's farewell event. Volunteers are needed for 2-3 hours to help with set up, food preparation and replenishing, and/or clean up. If you are available to help out, please contact [Lisa Mueller](mailto:Lisa Mueller) by July 28.

# What is Coaching?

*Written by Cecil Wong, Coaching Student*

What it's not.

Coaching is not the sports coach who has all the plans and directs players to execute them.

So what is it?

Coaching is, "A powerful alliance designed to forward and enhance the lifelong process of human learning, effectiveness, and fulfillment."\* Its purpose is to tackle your highest goals with the most difficult challenges. It's a dynamic partnership based on trust and transparency. We navigate journeys through profound

difficulties to discover, learn, and act. We seek to achieve goals that flow from deep, core desires and dreams. Coaching fosters clarity of values, and alignment of goals to generate concrete action steps by the person being coached (PBC). The PBC is the expert with access to the solutions and the coach works from this basis of faith. Basically, coaching helps you live out who you really are to experience and enjoy your God-given purpose.

Knowing the power of coaching, the Transitional Care Coaching Network wants to serve Western graduates with 90 minutes of complimentary coaching to give clarity, encouragement, accountability and concrete steps to those moving on

from seminary to their next phase in life.

Coaching has been invaluable in my personal and professional growth. My coaches have helped me move forward to pursue life and ministry that is aligned with my strengths and passions, holding me accountable with respect and firmness that have helped me effectively navigate a lot of ambiguity. Today, I find myself free to explore, discover, execute, and do what God has put in my heart and mind.
