FINDING A BOOK

1. Consult our online catalog (PRIMO) on the Internet by going to westernseminary.edu—Students—Libraries—Portland--<Go to Primo directly>. Default searching is Keyword, but you may specify author or title in Advanced Search. Click “Search scope—Portland Library Catalog” to see if Western Seminary has a copy. If not found, ask the Library staff for help. If found, continue . . .

2. Copy Call Number (i.e. 220.93/L345) on slip of paper. Lower number designates author, editor or, in the case of biography, name of biographee. Note “Available at”—Main Stacks [Reference, Microform, Reserves, etc.]

3. You may retrieve Reference books and circulation books (000-179) on the main floor; books (180-999), microfilm and microfiche in the basement yourself.

4. If the book you need is not on the shelf, and you wish to check it out as soon as it is returned, copy the information onto a Reserve Hold Slip and leave it at the circulation desk. You will be notified to pick up the book just as soon as it comes in.

5. If the book is only held by another library, you may request it by filling out the interlibrary loan form found on the Western Seminary Library homepage: http://westernseminary.edu/students/portland/library/loan-request

The online catalog reveals whether or not the library has books by a certain author, books relating to a particular subject, a book with a particular title, a book in a certain series or sponsored by a scholarly society.

Books are available for use soon after they arrive. See New Book section of this handbook under Regular Circulation.
I. LIBRARY MATERIALS

A. Regular Circulation
Classifications (according to the Dewey system) can be found beginning on the main floor and continuing in the basement.

1. Theses
Western’s students give one copy of their thesis to the library. It becomes part of the circulation collection and is filed in regular Dewey order without regard to the superimposed “T” in the call number. Theses are also available for viewing on microfiche or electronically through the Theological Research Exchange Network (TREN).

2. New Books
If a title in the online catalog indicates wsAcquisitions, it has just been received, but is not yet cataloged. If you would like to check it out, fill out a Reserve Hold Slip at the Circulation Desk.

B. Reference Collection
Reference books, coded with an “R” above the call number on the books, need to be accessible for quick reference by everyone. Reference books are shelved in Dewey order on the main floor. Other reference materials may be found in the Baptist History area near the copier and the Atlas Case on the main floor. Please reshelve the reference items used when done.

C. Reserve Shelf
The reserve shelf is located behind the circulation desk on the main floor. Books, periodicals or AV (audiovisual) items requiring frequent use for specific assignments are placed “On Reserve” each semester by the instructors. Items on reserve are also indicated in the online catalog. Ask a library worker at the circulation desk for the book or other audiovisual item you need for a short-term loan. A 3-ring notebook is at the circulation desk containing lists of reserve items by professor and course.

D. Periodicals
Most of our periodicals are located in Milliken Hall. Some of the more popular periodicals are located on the mezzanine in the library. Newspapers are located on the mezzanine. A printed list of our periodical holdings by title is in a green binder near the computers. This list indicates if we have hard copy under “Holdings” and if some may be on the mezzanine. It also shows dates we have on microfilm or microfiche, which are housed in the basement room to the right at the bottom of the stairs. To see periodicals under “Holdings” please fill out the half sheet “Request Form for Periodicals” near the computers and give to the library staff, who will retrieve the periodical from Milliken.

E. Audiovisual
CDs and DVDs are located on the small bookshelf opposite the circulation desk. Some CDs and DVDs are on reserve and accessible through the online catalog.
II. LIBRARY OPERATIONS

A. Library Hours

Library hours change frequently to accommodate class schedules. The hours are posted on the library door. The library is closed on Sundays and these holidays: New Year’s Day, Martin Luther King’s Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving and the day after, Christmas Eve and Christmas.

B. Patrons

1. Regular Western Students

Regular Western students are those students who are registered and enrolled for any current semester. Their name and ID# are entered in the computer. See check out procedures under “C” below.

2. D. Min. & D. Int. St. Students

Doctoral students are granted the same checkout privileges as regular students.

3. Alumni

Alumni may register for loan privileges at the library as off-campus patrons. They may check out six books per loan period, six periodicals, as well as six audiovisual items. Alumni must ask for assistance at the circulation desk when checking out items. Alumni who are not local may request items from Western Seminary via interlibrary loan through their local public or school library.

4. Non-Western Patrons

Non-Western patrons must fill out the online guest registration form on the patron computers to obtain privileges and be entered in the database. Six books, six periodicals and six audiovisual items may be checked out at a time. All items must be checked out with assistance from the library staff.

C. Checkout Procedures

1. Regular Books

Books are loaned out for a three-week period. If a patron is not registered, he/she will need to be added to the computer. We will scan in the book barcode at the circulation computer. Then take pre-dated “Date Due” cards and place one in each book. The maximum number of books that may be checked out from one subject classification at one time is six per patron.

2. Periodicals

Periodicals are in closed stacks in the basement of Milliken Hall. It will be necessary to fill out a request form for the title and issue of the periodical needed. Requests will be filled within two hours. Periodicals, with the exception of the most current issue, may be check out for three weeks. There is a limit of six unbound and one bound periodical per patron. Please sign out each periodical in the blue notebook located at the main circulation desk. Place returned periodicals in the box on the table near the west windows.

Return the item to the counter within 2 hours to be checked in. Items may be renewed for another 2 hours if no one else is waiting for them.

A. Copy Machine
The library has a copier on the main floor available for patron use. The cost is $0.05 per copy. Please pay in the change box at the circulation desk. **The copier is turned off 10 minutes before closing.** Students are responsible to pay for photocopying at the time of copying. The amount may be added to their library account on the computer if they are unable to pay at the time. Students are expected to pay for “errors” and for copies made on personal stationery or paper. Please ask for assistance if the copier malfunctions. **Do not** try to fix the problem yourself.

B. Microforms Reader/Printer
A reader-printer for microfilm and microfiche is on the main floor of the library. Ask the library staff for needed assistance. Please pay $0.05 per copy in the change box at the circulation desk. Directions are posted on the machines. Books, theses and periodicals are available in film or fiche in the microform room. All are accessible through the online catalog or the periodical list.

C. Inter-Library Loans

Western provides wireless access to patrons with portable computers and a wireless network card. Students need to get access information from staff in Armstrong Hall.
